Summer Move

We have now relocated down to St. John and St. Francis School for the summer holidays. We would like to say a big thank you to all the parents who have supported the move. We have provided transport for those who have asked can we remind you that the Cranleigh gardens gate is no longer in use due to health and safety reasons. Please can we ensure the pick off and drop off point will now be at the front of the building in the disabled bay.

We will be back at nursery in September 😊

Daffodils

This month we have welcomed some new friends to our room. We have been getting to know our new room at the school and exploring the big field. We are going to go on an adventure this month to forest school and see what kinds of bugs we can find and watch how they move.

Tulips

This month we are going to be exploring forest school searching for bugs and other creatures. Making lots of mess with sensory and messy play activities. We have been practicing our counting with lots of different counting games and activities.

We have been making friends with the daffodils.

Poppies

This month we have been getting to know our new key workers ready for when we move up to the sunflowers. We have been exploring the forest school and playing lots of outdoor games on the big field. We have been having lots of fun spending time with the sunflowers and exploring the big room.

Sunflowers

This month we are enjoying our school readiness activities. We have been playing on the big field and exploring our way through forest school. We have been welcoming the poppies to our room showing them how we prepare for school. We are all very excited to start our new schools in September 😊

Special thank you

A massive thank you; Helen Jade, Amy M Shell Magda, Sally and Jo for giving up your weekend and free time to help with the move from nursery! All your help was greatly appreciated. Thank you!
