

The Olive Tree Nursery

Newsletter

October 2018

Daffodils

September has been a very busy month for the Daffodil room. We have welcomed lots of new friends and we have been teaching them the room's routine.

In October we will be trying lots of new fruit and vegetables and celebrating Halloween with activities such as pumpkin carving and making pumpkin soup!

Tulips

This month:

- We have been enjoying our new room and building relationships with new children and key workers.
- using our new self-registration board
- Learning our tidy up song which we really love!!!
- lots of messy play 😊

Next month:

- looking at the seasons/ weather changing
- going on lots of walks

Poppies

Through September in Poppies we have been getting to know each other and making new friends.

We have enjoyed looking and talking about different shapes and creating a shape printing display.

We have also loved listening to "We're going on a Bear Hunt" and making another display showing the journey.

Zoolab came to visit and we were very interested in the animals that they brought to show us.

During October we will be looking at our new topic on Transport and talking about different vehicles and ways to travel.

We will be getting spooky and doing some Halloween based craft activities.

We will also be discussing routines, boundaries and feelings.

Rose Garden

During this month we will be continuing to go out and about exploring and enjoying the nice weather while it lasts, don't forget to keep an eye out for the children and their adventures on our parents Facebook page. We are also focussing on making new friends, we will also learn about the autumn which will mean new adventures collecting leaves for painting.

Sunflowers

To all the new sunflowers welcome! We have settled in fantastically. We have recently introduced our new WOW board, these are for the children's very important achievements at home such as dressing themselves, or sleeping in their bed all night! We will also give our WOW certificates at nursery for excellent achievements! these will be pinned up on our WOW board as you walk into Sunflowers and nursery.

New room new changes!

In Sunflowers and throughout the Olive Tree Nursery we promote independence, and in Sunflowers we have our 'rolling snack' routine. This involves the children being able to choose when they would like or not like their snack. We have a snack bar/ cafe which is open for an hour and a half and the children decide when they would like their snack, they pay (pretend) £1 and have a choice of what fruits they would like to eat!

Coming soon... 'self-registration' watch this space for Sunflowers new self-registration an interactive register for you and your child to help them learn their name!

This term Sunflowers will be concentrating on different types of transport!

Nursery is **CLOSED** to ALL

24.12.18 - 02.01.19

Term time **ONLY** closures

29.10.18 - 02.11.18
