

The Olive Tree Nursery Newsletter December 2018

Daffodils

During November, we enjoyed making firework pictures and doing messy play. We have been busy looking at colours and numbers.

December is a busy time making things to take home for our families.

Tulips

November:

We have been Making biscuits in nursery to take home.

Doing lots of messy play in our tuff tray.

December:

Getting into the Christmas spirit by making our very own bricked fireplace.

Make some yummy Christmas treats.

Lots of singing and dancing

Poppies

In November we enjoyed talking about our experiences of Carnival and talking about the floats we saw. We even watched some video clips of Emma and Krystal on their carnival carts. We used paint and glitter to make a firework display and talked about the sounds that they made.

Through December we will be getting very Christmassy. Decorating the room, learning christmas songs, and doing lots of Christmas activities. We are also very excited for our Christmas morning and party.

Rose Garden

Rose Garden, we are getting into the Christmas spirit this month making lots of lovely things to take home for our families at the end of the term. The children have lots of lovely things to enjoy like our Christmas craft morning and the Christmas party, look forward to seeing you all there. If you haven't yet done so can all parents be reminded to grab their tapestry form from reception thank you.

Sunflowers

IT'S CHRISTMAS! Sunflowers have had a fabulous time this term with our space theme ending and our Christmas theme beginning.

The sunflowers have tried some space food which they really enjoyed. We have been making our room very festive with college snowflakes, making an igloo and our Christmas folders. We have had our Christmas craft morning and we are all really looking forward to the Christmas party. The sunflowers hope you all have an amazing Christmas and a happy new year!! Be good! 😊

Nursery is **CLOSED** to ALL 24/12/18 – 02/01/2019
